KLARA BEAUTY LAB VALENTINE'S DAY BASH IN NYC

If you live in New York and need a professional, luxurious spa to rejuvenate your skin and work away your winter blues treat yourself to a signature facial from [KLARA Beauty Lab](#).

Melinda Valentine's day3

Plunge into a sea of harmony for your body, mind and soul, while addressing your skin's concerns. These European facials are fully designed to your skin type and skin condition at the time of the treatment. The facial may last for 1.5 to 2 hours, depending on your skin's needs.

[KLARA Beauty Lab](#) is a result-oriented medical spa that caters to the needs of Spa Guests and Patients, helping them preserve their youthfulness and rejuvenate their mind and body. KLARA Beauty Lab offers only the best quality products, cosmetics and services backed by years of scientific research.

Melinda Valentine's day2

[KLARA Beauty Lab](#) offers clients a new kind of experience; one that is truly tailor-made and designed to rejuvenate, energize, and ultimately provide the knowledge, tools and support that is required to create a better quality of life.

Valentine's Day is soon approaching and [KLARA Beauty Lab](#) is celebrating love, skin, spa, beautiful people, leather, food, cocktails, music, candlelight and much more!

Melinda Valentine's day

The festivities will take place on Thursday Feb 6th, at 6pm, and will go until midnight! [Klara Beauty lab](#) will host an expo of beautiful and sexy leather accessories, which will be available for purchase.

Sexy gourmet miniature food will be catered by the Creative Table Company and will be accompanied by Aphrodisiac cocktails.

Also, for one lucky guest there will be a chance to win a one of kind piece of hand made NYC leather art handcrafted by Klara.

Please click on the link below to view the invite details.
